SUNDAY AFTER THEOPHANY - [WWW.THEOSIS.CA](http://WWW.THEOSIS.CA)

In today's Gospel we hear that Jesus moved to the city of Capernaum. Capernaum was in the land of Zebulun and Naphtali in the north of Israel. It was in this land that Israel did lots of bad stuff, and therefore they started to be punished for not listening to God. Jesus told the people there to change. He told them to be good and listen to God again, because God was setting up His kingdom right there and then, starting in the place where things once were the worst.
