A message from the Bylaw Committee:

Bishop David has asked all parishes to update their Bylaws according to the example provided by the Eparchial Parish Pastoral Council Guidelines. The Bylaw Committee in our parish, which was made up of Bill Shostak, Virginia Sharek, and Fr. Bo, have done their best over the past months to provide new bylaws that conform to Bishop's wishes, and also reflect the needs of our parish.

We recognize that these Proposed Bylaws are not perfect as they are now. There have already been suggestions to change parts of the document, and there will likely be several more suggestions that we as a parish will propose to modify in the years to come. But for now, these proposed bylaws are more up to date than the Bylaws we currently have, and they follow the spirit of the parish and the wishes of our Bishop. In other words: we believe them to be better than what we currently have.

At this time the outgoing Parish Pastoral Council has voted to present these Proposed Bylaws as they are to you, the Parish Membership, via this Mail-Out AGM to be approved. If the parish approves, then the Bylaws will then be presented to Bishop David for his comments and approval. If they are accepted by Bishop David then they will become our new Bylaws.

Please take a look at them, then let us know via the "Vote Page" whether you vote to approve them or not.

We also welcome your comments, which will be considered by the upcoming Parish Pastoral Council, and appropriate changes will be proposed and presented for us all to approve again in the future.

Thank you for your time and attention in this matter.

Sincerely,  
The Bylaw Committee
